JV EnCorps Service Interest Form (Optional)

JVC Northwest looks at the whole person to evaluate the commitment to living the JV EnCorps values (Simple Living, Social and Environmental Justice, Community and Spirituality) and the commitment to a full year of caring service. We consider the information below, as well as your entire application in discerning an appropriate match to a placement. In addition, we look at our previous experience with the agencies and the unique requirements of each placement position. Every attempt will be made to place you in a service position which will be a good match for you, although you may not be placed in one of the positions you list below. Though you may decline any placement or locale, we encourage you to be open to being placed in positions for which we feel you are well-suited.
